

The Plumblne

Scriptures to use for Searching your Soul

Amo 7:7 Thus he shewed me: and, behold, the Lord stood upon a wall [made] by a plumblne, with a plumblne in his hand.

How is it with your soul?

When your life is committed to Jesus Christ, when He is Lord and Savior of your life – when you are at home, when you are away from home, when you lie down, and when you rise, fear not to obey the Lord whatever His call is upon your life.

Plumblne: Genesis 46.3

“...fear not to go down into Egypt...”

Perhaps there needs to be some soul searching as King David prayed:

Psa 139:23 Search me, O God, and know my heart: try me, and know my thoughts:

Psa 139:24 And see if [there be any] wicked way in me, and lead me in the way everlasting.

Rom 10:17 So then faith [cometh] by hearing, and hearing by the word of God.

Listen to a prophet of old and the following which helps us better understand what the Lord God Almighty is doing in the lives of His people.

"He will sit as a refiner and purifier of silver." (Mal 3.3)

A woman called a silversmith and made an appointment to watch him at work. She didn't mention anything about the reason for her interest beyond her curiosity about the process of refining silver. As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to hold the silver in the middle of the fire where the flames were hottest so as to burn away all the impurities.

The woman thought about God holding us in such a hot spot then she thought again about the verse that says: "He sits as a refiner and purifier of silver."

She asked the silversmith if it [were] true that he had to sit there in front of the fire the whole time the silver was being refined. The silversmith answered that yes, he not only had to sit there holding the silver, but he had to keep his eyes on the silver the entire time it was in the fire. If the silver was left a moment too long in the flames, it would be destroyed.

The woman was silent for a moment. Then she asked the silversmith, "How do you know when the silver is fully refined?" He smiled at her and answered, "Oh, that's easy - when I see my image in it."

If today you are feeling the heat of the fire, remember that God has His eye on you and will keep watching you until He sees His image in you.
