It has been said that when an inner situation is not made conscious, it happens outside as fate."

Interpretation? If we do not take care of what bothers us, it will take care of us; it will come back to bite us. If we are not aware of what is inside of us, it will make us aware unexpectedly.

Were you ever told, 'Nice boys and girls don't get angry,' or 'Big boys and girls don't cry'? Were you ever told, 'Don't feel, don't trust, and don't talk'?"

What do I have in common with a volcano?
