Amo 7:7 Thus he shewed me: and, behold, the Lord stood upon a wall [made] by a plumbline, with a plumbline in his hand.

## How is it with your soul?

**D**o we want others to see Jesus in us? Do we want to go through the refining and purifying necessary for our sanctification, for being transparent for others to see Jesus in us? There is a chorus that speaks to my heart. It is my heart's cry.

To be like Jesus, to be like Jesus:

All I ask, to be like Him.

All through life's journey,

From earth to glory,

All I ask, to be like Him. *unknown*

Oh, to be like Jesus! Do you desire to be like Jesus? Do you want others to see Jesus in you? Do you want to be refined and purified by the fire that we must go through – To Be Like Him?

### Plumbline:

Mal 3:1 Behold, I will send my messenger, and he shall prepare the way before me: and the Lord, whom ye seek, shall suddenly come to his temple, even the messenger of the covenant, whom ye delight in: behold, he shall come, saith the LORD of hosts.

Mal 3:2 But who may abide the day of his coming? and who shall stand when he appeareth? for he [is] like a refiner's fire, and like fullers' soap:

Mal 3:3 And he shall sit [as] a refiner and purifier of silver: and he shall purify the sons of Levi, and purge them as gold and silver, that they may offer unto the LORD an offering in righteousness.

Perhaps there needs to be some soul searching as King David prayed:

Psa 139:23 Search me, O God, and know my heart: try me, and know my thoughts:

Psa 139:24 And see if [there be any] wicked way in me, and lead me in the way everlasting.

Rom 10:17 So then faith [cometh] by hearing, and hearing by the word of God.

"He will sit as a refiner and purifier of silver."

Malachi 3:3

This verse puzzled some women in a Bible study and they wondered what this statement meant about the character and nature of God.

One of the women offered to find out the process of refining silver and get back to the group at their next Bible Study.

That week, the woman called a silversmith and made an appointment to watch him at work. She didn't mention anything about the reason for her interest beyond her curiosity about the process of refining silver.

As she watched the silversmith, he held a piece of silver over the fire and let it heat up. He explained that in refining silver, one needed to hold the silver in the middle of the fire where the flames were hottest as to burn away all the impurities.

The woman thought about God holding us in such a hot spot then she thought again about the verse that says: "He sits as a refiner and purifier of silver."

She asked the silversmith if it was true that he had to sit there in front of the fire the whole time the silver was being refined.

The man answered that yes, he not only had to sit there holding the silver, but he had to keep his eyes on the silver the entire time it was in the fire. If the silver was left a moment too long in the flames, it would be destroyed.

The woman was silent for a moment. Then she asked the silversmith, "How do you know when the silver is fully refined?" He smiled at her and answered, "Oh, that's easy - when I see my image in it."

If today you are feeling the heat of the fire, remember that God has His eye on you and will keep watching you until He sees His image in you.

Psa 119:11 Thy word have I hid in mine heart, that I might not sin against thee.
